3 “(e) Notwithstanding (a) of this section, the first law enforcement agency to voluntarily
4 designate itself as a central repository for the information collected in (a) or (b) in this
5 section for the purpose of disseminating the information to other law enforcement
6 agencies, may require each wholesaler, manufacturer, and distributor regularly report that
7 information to the law enforcement agency.
8

9 (f) If a central repository is not established under (e) of this section, then, notwithstanding
10 (a) of this section, if a municipality enacts an ordinance requiring wholesalers,
11 manufacturers, and distributors to report the information maintained under (a) of this
12 section, each wholesaler, manufacturer, and distributor shall regularly report that
13 information to the municipal police department at intervals required in the ordinance.”
